July 2026 Cohort

Welcome

Thank you for your interest in the 710 Venture Studio. We recognize this may be your first experience exploring entrepreneurship. This guide introduces our Venture Studio, explains the application process, and outlines what you can expect. You are not expected to have prior experience building a business. Accepted founders will be guided step by step throughout their founder journey.

Estimated Time to Complete

Approximately 60–90 minutes. We encourage you to complete the application over more than one sitting if that allows you to reflect thoughtfully on your responses.

Application Submission

Please submit your completed Founder Application no later than:

Thursday, July 9, 2026
9:00 AM Pacific Time (12:00 PM Eastern Time)

This timeline provides ample time to review the guide at a comfortable pace and thoughtfully complete your responses, with Wednesday evening and Thursday morning available for any final review before the submission deadline.

A Note Before You Begin

There are no right or wrong answers. This application is not a test. It is an opportunity for us to better understand your background, experience, goals, and aspirations so we can determine whether the 710 Venture Studio is the right fit for you.

Founder Discussion

Your completed application will be carefully reviewed before your scheduled Founder Discussion on Friday, July 10, 2026, at 10:00 AM Pacific Time (1:00 PM Eastern Time). This allows us to tailor our discussion to your background, goals, and aspirations, ensuring our time together is both meaningful and productive.

Admission

Admission to the 710 Venture Studio is by application and based on mutual fit. We intentionally keep each cohort small so every founder receives personalized guidance, strategic support, and meaningful access to the 710 Global ecosystem.
